# PUBLIC NOTICE

**Following a recent survey carried out on behalf of Coedpoeth Community Council, which identified damage to the floor within the Parish Hall, the Council has taken the decision to close the Main Hall area until further notice.**

Whilst the Council recognises the impact this decision will have on the current groups and businesses which use the Main Hall area, the decision has been made to ensure the safety of the public and staff, and to prevent any injury to persons or damage to property.

Coedpoeth Community Council will be looking to make repairs and improvements to the Parish Hall as soon as possible, although no specific date can be given at this time. Apologies are made for the short notice for the closure.
